

The logo for Singapore OWASP Day 2026 is centered on a blue background with a circuit-like pattern of white lines and dots. The word "SINGAPORE" is in white, uppercase, sans-serif font. Below it, "OWASP" is in a large, white, stylized font with green square accents on the 'O' and 'A'. Underneath "OWASP", the word "day" is in a green, lowercase, sans-serif font. At the bottom of the logo, "2026" is in a white, uppercase, sans-serif font.

SINGAPORE OWASP day 2026

Date: 30 - 31 October, 2026

Venue: SIT@Punggol Digital District

ABOUT US

The OWASP Singapore Chapter is a community of cybersecurity practitioners, developers, and researchers dedicated to improving application security in Singapore and the broader Asia-Pacific region.

Founded in 2008, the chapter has grown into one of the most active OWASP chapters in Asia – hosting regular meetups, workshops, training sessions, and the annual AppSec Days Singapore conference.

The chapter brings together professionals from government, finance, technology, and academia to share knowledge, advance best practices, and champion a culture of security-first development.

WHY SPONSOR

Targeted Audience

Reach security professionals, developers, architects, and CISOs – the people who evaluate and champion your products.

Regional Reach

Attendees from Singapore and across Asia-Pacific. Our 2025 event drew participants from 12+ countries.

Brand Credibility

Align with OWASP – the gold standard in application security, demonstrating commitment to open security.

Direct Engagement

Exhibition booths, networking sessions, and speaker dinners give face-time with decision-makers.

Multi-Channel Visibility

Branding on badges, stage signage, website, and social media throughout the event lifecycle.

Thought Leadership

Position your team as appsec leaders by supporting the community, sponsoring CTF and student scholarships.
